Date	NOTIFICATION
11.01.2022	<p>The Company has announced to the FSC and to the Public the following information:</p> <p>Based on preliminary consolidated data as of the end of the fourth quarter of 2021, we hereby inform you of the following:</p> <p>Preliminary data as of the end of the fourth quarter of 2021 on consolidated basis show 51% year-on-year increase in consolidated revenue from sales of devices (including related services) to BGN 59.5 million (EUR 30.4 million). While the revenue from sales of Shelly-branded smart home devices increased by 62%, amounting to BGN 55.9 million (EUR 28.6 million), the revenue from sales of MyKi tracking devices decreased by 21% mainly as a result of the pandemic measures taken by the governments of a number of countries where the devices are being sold and the associated reduced mobility.</p> <p>The Company will officially disclose consolidated financials for Q4 2021 within the statutory deadlines until 1 March 2022.</p>
14.03.2022	<p>The Company has announced to the FSC and to the Public the following information:</p> <p>The Board of Directors of Allterco JSCo (ticker A4L / ISIN: BG1100003166) (“Allterco”), a provider of IoT and smart home products based in Sofia, Bulgaria, has today resolved to increase the capital of its wholly-owned subsidiary Allterco Robotics EOOD. In view of strongly increased demand for the company's products following hiked energy prices, the capital increase at Allterco Robotics EOOD is intended to accelerate the development of new products and expand production capacity and market entries, as well as the activities of the R&amp;D department.</p> <p>The share capital of Allterco Robotics EOOD shall be increased from currently BGN 1 500 000 (EUR 766 937.82) by BGN 5 500 000 (EUR 2 812 105.34) to BGN 7 000 000 (EUR 3 579 043.16) by issuing 5 500 000 new shares with a nominal value of BGN 1.00 each. Allterco subscribes to all new share. The capital increase will be implemented exclusively from company funds of Allterco.</p> <p>In the current financial year, Allterco Robotics EOOD intends to invest in the development of new innovative products for home and office automation, as well as in the expansion of the product line of professional devices for electricians and integrators for the complete construction of new homes, smart factories and smart cities. The capacity of the R&amp;D department will be increased to meet the growing sales demands and the needs of the manufacturing for the integration of technology developed by Allterco Robotics EOOD. In addition, the compatibility of the equipment is to be expanded, destined for the markets in Australia, England and the United States.</p> <p>The capital increase falls within the regular scope of business of Allterco and is below the threshold under Art. 114, para. 1, item 4 Public Offering of Securities Act. The capital increase is subject to registration in the Commercial Register by the Register Agency.</p> <p>* EUR/BGN exchange rate as of 14 March 2022 – EUR 1 = BGN 1.95583 More information at <a href="http://allterco.com">allterco.com</a>.</p>
