14.04.2022	<p>The Company has announced to the FSC and to the Public the following information:</p> <p>Based on preliminary consolidated data as of the end of the first quarter of 2022, we hereby inform you of the following:</p>

Allterco JSCo announces a 26.2% year-on-year increase in consolidated revenue from sales of devices (including related services) to BGN 17.4 million (EUR 8.9 million) in the first quarter of 2022, based on preliminary data. While the revenue from sales of Shelly-branded smart home devices increased by 25.1%, amounting to BGN 16.6 million (EUR 8.5 million), the revenue from sales of MyKi tracking devices decreased by 8.7% to BGN 447 thousand (EUR 229 thousand), showing trend of recovery mainly as a result of the phasing out the anti-pandemic measures taken by the governments of a number of countries where the devices are being sold.

Considering the seasonal fluctuations in sales the reported results are in line with the expectations of the management and their planning for 2022 and are based on sales growth of the Company's current main product lines.

The Company will officially disclose consolidated financials for Q1 2022 within the statutory deadlines until 30 May 2022.
