REPORT

TO THE SCHEME FOR THE GRANTING OF SHARE-BASED REMUNERATION TO THE EXECUTIVE MEMBERS OF THE BOARD OF DIRECTORS

I. SUBJECT AND SCOPE

This report has been prepared by the Board of Directors of “Shelly Group” SE (hereinafter “the Company”) in accordance with §14.2 of the Scheme for the Granting of Share-Based Remuneration to Executive Members of the Board of Directors /“the Scheme”/, adopted by a resolution of the General Meeting of Shareholders, effective from 13 December 2022, last amended on 2 June 2025.

II. PURPOSE

The purpose of this report is to establish and certify that the financial and non-financial criteria under the Scheme have been fulfilled for the period of its validity (1 January 2022 – 31 December 2025), in respect of the two executive directors, in connection with the conditional option packages granted by resolution of the General Meeting of Shareholders dated 13 December 2022.

- Dimitar Dimitrov – Chief Executive Officer
- Wolfgang Kirsch – Chief Executive Officer

The terms used in this Report have the same meaning as defined in the Scheme.

III. ИЗПЪЛНЕНИЕ - ФИНАНСОВИ КРИТЕРИИ

Изпълнението на условията за упражняване на всяка от предоставените опции се преценява на базата на заложените в Схемата финансови и нефинансови критерии, както следва:

IV. ФИНАНСОВИ КРИТЕРИИ

Схемата предвижда два вида финансови критерия:

Основен таргет – постигане на определена стойност на Тримесечната осреднена цена (ТОЦ) на акциите, изчислена към референтна дата (31.12. на съответната година). Основната опция се упражнява само ако ТОЦ достигне или надвиши определения праг, като всеки Основен таргет може да бъде постигнат само веднъж (изпълнението му към следващите по време референтни дати, ако има такива, не се преценява).

Резервен таргет – постигане на определена стойност на Годишния консолидиран оборот (в млн. EUR). Резервната опция се активира единствено ако към съответната референтна дата е постигнат съответният Резервен таргет и не е постигнат нито един Основен таргет към съответната референтна дата.

1. ЦЕЛЕВИ СТОЙНОСТИ

Приложение №1 към Схемата определя следните параметри:

Основни опции

Целеви стойности (Основни таргети) по финансов показател Тримесечна осреднена цена на акциите (съгласно **Error! Reference source not found.** от Схемата) и брой акции - предмет на предоставените на всеки от двамата изпълнителни директори с решение на Общото събрание на акционерите от 13.12.2022 г. пакети от условни Основни опции при постигане на съответния Основен таргет.

III. FULLFILMENT – FINANCIAL CRITERIA

The fulfilment of the vesting conditions for each of the granted options shall be assessed on the basis of the financial and non-financial criteria set out in the Scheme, as follows:

IV. FINANCIAL CRITERIA

The Scheme provides for two types of financial criteria:

Basic target – achieving a specified value of the Average Quarterly Price (AQP) of the shares, calculated as at a reference date (31 December of the relevant year). The Basic option is exercised only if the AQP reaches or exceeds the specified threshold whereas each Basic Target may be achieved only once (its fulfilment at any subsequent reference dates, if any, shall not be assessed).

Reserve target – achieving a specified value for the Annual Consolidated Revenue (in EUR million). The reserve option is activated only if, as at the relevant reference date, the relevant Reserve Target has been achieved and none of the Basic Targets has been achieved by the relevant reference date.

1. TARGET VALUES

Appendix 1 to the Scheme sets out the following parameters:

Basic options

Target values (Basic targets) by financial indicator Average quarterly share price (in accordance with **Error! Reference source not found.** of the Scheme) and the number of shares subject to the conditional Basic Option packages granted to each of the two executive directors by resolution of the General Meeting of Shareholders dated 13.12.2022, upon achievement of the relevant Basic Target.

3. ОЦЕНКА НА ИЗПЪЛНЕНИЕТО НА ФИНАНСОВИТЕ КРИТЕРИИ

3. ASSESSMENT OF COMPLIANCE WITH THE FINANCIAL CRITERIA

3.1. Референтна дата 31.12.2022 г. / Reference date: 31 December 2022

Критерий / Criterion	Таргет / Target	Реализирано / Achieved	Изпълнение / Execution
Основен таргет / Basic Target (ТОЦ ≥ EUR 11.16)	EUR 11.16	EUR 9.982	НЕ
Резервен таргет / Reserve Target (Оборот ≥ EUR 43.5 млн./mln)	EUR 43.5 млн./mln.	EUR 47.641 млн./mln.	ДА

Към 31.12.2022 г. ТОЦ на акциите е EUR 9.982, което е под прага на най-ниско заложения Основен таргет ТОЦ ≥ EUR 11.16. Следователно не е постигнат нито един Основен таргет и за директорите не възникват права за упражняване на Основни опции.

As at 31 December 2022, AQP of the shares is EUR 9.982, which is below the threshold of the lowest set Basic Target AQP ≥ EUR 11.16. Consequently, none of the Basic Targets has been achieved and the directors are not entitled to exercise Basic Options.

¹ Съгласно правилото на §10.1. от Схемата за база се използва тази от цените на двете борси (БФБ или Франкфуртска фондова борса), която формира по-висока ТОЦ, като данните от двете борси не могат да се комбинират. / Pursuant to the rule in §10.1 of the Scheme, the base price used is the one from the two exchanges (the Bulgarian Stock Exchange or the Frankfurt Stock Exchange) that yields the higher closing price; data from the two exchanges may not be combined.

Годишният консолидиран оборот за 2022 г. възлиза на EUR 47.641 млн., с което е надвишен Резервният таргет от EUR 43.5 млн. При условие че е изпълнен поне един нефинансов критерий, за директорите **възниква право да упражнят Резервна опция** за предвидения брой акции, като автоматично се намалява броят акции по следващата Основна опция за всеки от директорите (предоставените условни Основни опции при ТОЦ от поне EUR 11.16).

The Annual Consolidated Revenue for 2022 amounts to EUR 47.641 million, thereby exceeding the Reserve Target of EUR 43.5 million. Provided that at least one non-financial criterion is met, the directors **are entitled to exercise a Reserve Option** for the specified number of shares, with the number of shares under the next Basic Option for each of the directors (the provided conditional basic Options for AQP EUR 11.16) being automatically reduced.

3.2. Референтна дата 31.12.2023 г. / Reference date: 31 December 2023

Критерий	Таргет	Реализирано	Изпълнение
Основен таргет / Basic Target (ТОЦ \geq EUR 11.16)	EUR 11.16	EUR 21.372	ДА
Основен таргет / Basic Target (ТОЦ \geq EUR 18.00)	EUR 18.00	EUR 21.372	ДА
Резервен таргет / Reserve Target (Оборот \geq EUR 62.5 млн./mln.)	EUR 62.5 млн./mln.	EUR 74.926 млн./mln.	НЕАКТИВИРАНА*

Към 31.12.2023 г. ТОЦ на акциите е EUR 21.372, с което едновременно са постигнати два Основни таргета: ТОЦ \geq EUR 11.16 и ТОЦ \geq EUR 18.00. За всеки от директорите **възникват права да упражни съответните две Основни опции**, като броят акции, за които може да бъде упражнена първата опция, е в редуциран размер поради изпълнението на условията за упражняване на предоставената на всеки от директорите Резервна опция от 2022 г.

As at 31 December 2023, AQP of the shares is EUR 21.372, thereby achieving two Basic Targets simultaneously: AQP \geq EUR 11.16 and AQP \geq EUR 18.00. Each of the directors shall be **entitled to exercise the respective two Basic Options**, whereby the number of shares in respect of which the first option may be exercised is reduced due to the fulfilment of the vesting conditions of the Reserve Option granted to each of the directors in 2022.

Въпреки че Годишният оборот от EUR 74.926 млн. надвишава Резервния таргет от EUR 62.5 млн., **Резервната опция за 2023 г. не се активира**, тъй като е налице постигнат Основен таргет към референтната дата, попадаща в съответната календарна година (отрицателното условие не е изпълнено).

Although the Annual Revenue of EUR 74.926 million exceeds the Reserve target of EUR 62.5 million, **the 2023 Reserve Option is not triggered**, as the Basic Target has been achieved as at the reference date falling within the relevant calendar year (the negative condition has not been met).

3.3. Референтна дата 31.12.2024 г. / Reference date: 31 December 2024

Към 31.12.2024 г. ТОЦ е EUR 34.179, с което е постигнат Основният таргет ТОЦ ≥ EUR 27.00. За всеки от директорите **възникват права да упражни съответната Основна опция** в пълен размер.

Въпреки постигнатия Резервен таргет по приходи (EUR 106.709 млн. > EUR 89.0 млн.), Резервната опция **не се активира** поради постигнат Основен таргет в съответната референтна година.

As at 31 December 2024, the TOC is EUR 34.179, thereby achieving the Basic Target QAP ≥ EUR 27.00. The directors **are entitled to exercise the relevant Basic Option** in full.

Despite the achieved Reserve Target of revenue (EUR 106.709 million > EUR 89.0 million), the Reserve Option **is not activated** due to the Basic Target having been achieved in the relevant reference year.

3.4. Референтна дата 31.12.2025 г. / Reference date 31 December 2025

Критерий / Criterion	Таргет / Target	Реализирано / Achieved	Изпълнение / Execution

Основен таргет / Basic Target (ТОЦ ≥ EUR 46.00)	EUR 46.00	EUR 54.55	ДА
Резервен таргет / Reserve Target (Оборот ≥ EUR 125.0 млн./mln.)	EUR 125.0 млн./mln.	EUR 149.7 млн./mln.	НЕАКТИВИРАНА*

Към 31.12.2025 г. ТОЦ е EUR 54,55, с което са постигнати два допълнителни Основни таргета:

As at 31 December 2025, the AQP is EUR 54.55, thereby achieving two additional Basic Targets:

EUR 38,00 и EUR 46,00. Таргетът EUR 55,00 не е постигнат. За всеки от директорите **възникват права да упражни съответните две Основни опции** в пълен размер.

Годишен оборот от EUR 149.7 млн. надвишава Резервния таргет, но Резервната опция **не се активира** поради постигнати Основни таргети.

4. БРОЙ АКЦИИ ПО ДИРЕКТОРИ

Въз основа на реализираните финансови резултати, за всеки директор са изчислени правата за упражняване на опции, съгласно реда по §14.2 от Схемата.

3. КОНСТАТАЦИИ ОТНОСНО ИЗПЪЛНЕНИЕТО НА НЕФИНАНСОВИ КРИТЕРИИ

Въз основа на извършения преглед на дейността на Дружеството и на неговия мениджмънт за периода 2022–2025 г., Съветът на директорите констатира следното:

- За всяка от четирите референтни години е изпълнен **поне един** нефинансов критерий по §12 от Схемата. Задължителното условие по §9.1 е изпълнено.
- Изпълнени са критерии от **всички шест категории** по §12.2, демонстриращи всеобхватен принос на изпълнителните директори към дългосрочното развитие на Дружеството.
- Реализираните нефинансови постижения са в пряка причинно-следствена връзка с нарастването на стойността на Дружеството за акционерите: проведените придобивания (Shelly Tech, LOQED, Shelly Asia), многогенерационното продуктово развитие (Gen 2 → Gen 4), изграждането на глобалната инсталаторска мрежа и последователните инвеститорски комуникации са ключови двигатели на ръста на приходите от EUR 47,6 млн. (2022) до EUR 149.7 млн.
- Оценката следва да бъде направена кумулативно за целия период. Единствено при приключването на пълния период на изпълнение може да се установи кумулативното въздействие на решенията и изпълнението на ръководството с необходимата пълнота, контекст и доказателствена основа.
- Разкриването пред инвеститорите е поддържано на ниво на пълна прозрачност в съответствие с изискванията на ЗППЦК, MAR и МСФО 2.

VI. ИЗВОДИ ОТНОСНО ИЗПЪЛНЕНИЕТО НА УСЛОВИЯТА ЗА УПРАЖНЯВАНЕ НА ОПЦИИ

3. FINDINGS REGARDING THE FULFILMENT OF NON-FINANCIAL CRITERIA

Based on the review of the Company's operations and its management for the period 2022–2025, the Board of Directors notes the following:

- For each of the four reference years, **at least one** non-financial criterion under §12 of the Scheme has been met. The mandatory condition under §9.1 has been met.
- The criteria in **all six categories** under §12.2 have been met, demonstrating the executive directors' comprehensive contribution to the Company's long-term development.
- The non-financial achievements realised are directly linked to the growth in the Company's value for shareholders: the acquisitions made (Shelly Tech, LOQED, Shelly Asia), multi-generational product development (Gen 2 → Gen 4), the establishment of the global installer network and consistent investor communications are key drivers of revenue growth from EUR 47.6 million (2022) to EUR 149.7 million
- The assessment should be made cumulatively over the entire period. Only upon completion of the full implementation period can the cumulative impact of management's decisions and execution be established with the necessary comprehensiveness, context and evidence base.
- Disclosure to investors is maintained at a level of full transparency in accordance with the requirements of the Public Offering of Securities Act, MAR and IFRS 2.
